

Every Vote Counts!
And yours could be the one vote
that saves Democracy, Abortion,
and Social Security.

Not voting, not an option.

Think of it as a SuperPower,

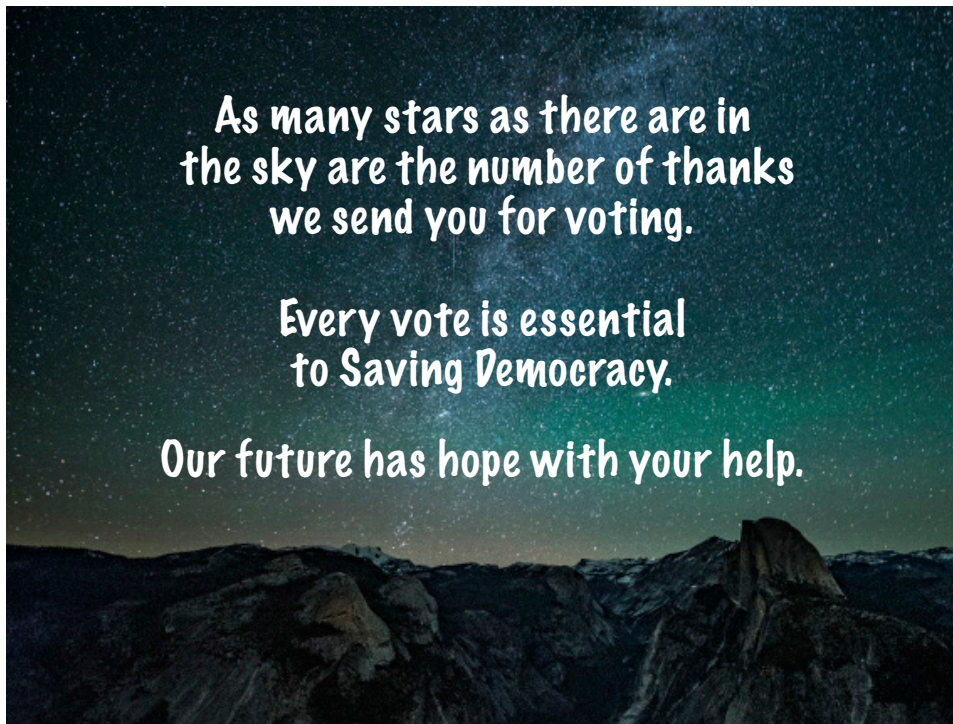

Your vote can make the difference
between a future bright with rights.
Or dim with rights stolen.

As many stars as there are in
the sky are the number of thanks
we send you for voting.

Every vote is essential
to Saving Democracy.

Our future has hope with your help.

THANK YOU!
